Message from Teresa

A month has passed since I last put pen to paper and what an amazing community we have at Citipointe. I have been overwhelmed with the kindness of parents with their words, time and support to the Parent Connect Team. Together we can continue to build this strong community.

A special thank you to Tanya Kruis for keeping this vital communication on time and to the parents who assisted in the Cookbook distribution to Primary parents.

The wheels are turning with the up and coming events for families, friends and our school to enjoy. Much of our time is centred on our children. Their school days are only for a short time. How precious are these children and young adults.

I invite you to make contact with me if you have some time to assist with the Mothers Day Stall on 10 and 11 May, State of Origin, Game 2 on 13 June or Citipointe Goes Country on 4 August. I am looking forward to meeting you.

We have our committee meeting on 14 May. We will be working through our event templates as well as recapping on the events that have taken place. You are very welcome to join us.

‘Around Our Table’ Cookbook

We’ve had great feedback on the good quality and fault-proof recipes in our school cookbook, ‘Around our Table’. Thank you to the many Parents who supported this cause by purchasing such a fantastic momento which will bring us a step closer to building a kitchen in our beautiful new Hall. This cookbook would also make a great gift idea for any occasion whether it is Mother’s day or Christmas.

‘Around Our Table’ cookbook is also available for purchase online or you could pick one up from the Uniform Store. www.brisbane.coc.edu.au
