Message from Teresa

Parent Connect are pleased to announce that we have raised $35,000 this year to donate towards College Hall. This has been a combined effort from the volunteers and supporters within our school community.

College Hall has so many uses and I just can’t envisage how the school managed without it. Our family enrolled in 2011 so we have always had the hall to use and are grateful to the ones who came before us and left their legacy, we are constantly reminded that we are part of a blessed community.

Another ‘big’ contributor to our fundraising has been the publishing of Around our Table. The Cookbook promotion has raised $13,000 to date and we hope to sell more books this term to families for Christmas presents.

By now you would have received a form to complete to let us know your availability to help out at our last event ‘Music @ Twilight’.

As a parent of a child going into high school next year, I am excited about our new affiliation with CyberSafe247. Keep an eye out on our school website for further details. This is a Parent Connect initiative to raise funds and we will receive a donation for units purchased from our school website.

Enjoy term 4 as we move into the season of the precious birth of our Saviour.

Blessings

Teresa Krumenacher (nee Gafa)
Parent Connect President

Would you like to get involved?

There are plenty of exciting and rewarding events planned for next year.

We would love to have you involved in any way possible, an hour cooking or selling drinks at an event, or come along to any of our meetings to add something special from your own experiences and ideas - everyone is welcome!

About us

Parent Connect seeks to support our students and faculty through taking a leadership role in the administration of activities and events which occur throughout the year. These activities include sports days and various parent social events associated with the students’ extra-curricular activities.

School Banking

Thank you to our School Banking volunteers!

School Banking volunteers are vital to the School Banking program. We can create a fun way for children to develop strong money management skills and give them a head start in money matters. Many Co-Ordinators and volunteers talk about the rewarding experience of being able to make a positive difference to the lives of our students.

Swim Wear

If you regularly swim in chlorinated water then Speedos' exclusive endurance swimwear is an absolute must - engineered to last 50 times longer than conventional swimwear fabrics in chlorinated water.

So don't waste your money on swimwear they will go out of shape or fall apart, buy Speedos! The swimmers your students will outgrow.

Also available: Vorgee goggles and flippers for sale below RRP. Colourful swim bags available too.

Parent Connect has a great variety of items as Christmas stocking fillers available

Thank You!

THANK YOU! THANK YOU! THANK YOU! Parent Connect is an amazing team of people that do wonderful things for our school. Their latest gift of generosity has been to the Primary Art Department.

They have blessed your students with a lovely new kiln. This is very exciting because we can now fire our clay work projects... no more crumbling apart in schoolbags on the way home!

A clay club called “Mud Matters” has already begun in anticipation of this new addition. Some students in years 5 and 6 have had the opportunity to experience clay making in more depth than what can be achieved in class time. Watch this space as we enjoy showing off our masterpieces!
