"Welcome to 2013"

The Parent Connect community this year is all about "relationship". Last year we worked on engaging our volunteers to raise the funds needed for the commercial kitchen in College Hall. It was a great year to be a part of the community and see our volunteers turn up at the right time, doing whatever needed to be done and joining the fun of the events. Through these events we have been building trust.

Our goal is to have a team with a shared vision and I have already been very blessed with a number of families putting their hands up to be counted in. I will let you know more about these ones next month as we confirm their roles for this year.

As President of the Parent Connect Fundraising Team, I look forward to working with you and building relationships during the school year and we welcome your interest in joining us at one or more of our meetings or as a vital volunteer at one of the events.

Blessings
Teresa Krumenacher

Two are better than one, because they have a good return for their work: if one falls down, his friend can help him up (Ecc 4:9-10).

Would you like to get involved?

There are plenty of exciting and rewarding events planned for this year. We would love to have you involved in any way possible, perhaps an hour cooking or selling drinks at an event, or at any of our meetings to add something special from your own experiences and ideas - everyone is welcome!
