Term two has begun, I am excited to see and hear what God is doing in our school community this term. If anyone has some good news to share please send it into us via email for publication in our newsletter.

This newsletter has some details about voluntary positions available. We need volunteers to take on temporary roles. I recently heard “If we believe what we truly believe we will act. Works without faith is dead. Works with faith is powerful”. I know that with our faith we will witness the move of God in our school and particularly in the lives of families within our community. 2013 is the year of growth in God through relationships by building our community together being the salt and light in our campus.

I look forward to meeting more of you beautiful people this term. A special thank you to the PC 2013 Team, your enthusiasm (confidence of divine favour) is infectious.

Blessings
Teresa Krumenacher - President

Quote for the month: “And in the end, it's not the years in your life that count. It's the life in your years.” Abraham Lincoln

About us
Parent Connect 2013 are volunteers who are connecting and serving the school community. This team is more relationship based, notes from meetings are kept, we email/call you to keep you informed and meet regularly.

At this meeting we receive information on progress from coordinators depending on numbers we then break into groups for a time to express ideas, brainstorm on progress from coordinators depending on numbers we then break into groups for a time to express ideas, brainstorm and present back within the meeting. Next meeting: Friday 17 May 12:30pm in Grace House. All welcome.

Thank you to the many families who partici- pated last year in the Woolworths Earn and Learn program.

We have just received wonderful resources for the school. This is a great help for our class teachers and your students.

A special thank you to Mrs Irene Monty who volunteered her time to collate and enter the points sheets received. With a large school like ours this is a big task for one person.

Volunteers are required to assist Irene for this years program, this entails collecting the point sheets and order the resources online. Irene will assist you with this project.

The 2013 Earn and Learn commences in Woolworth’s stores on 8th April, we hope you will support the school again this year.
