

ACADEMIC SCHOLARSHIPS

Terms and Conditions

- Scholarships will be awarded on the basis of the results of the Edutest Scholarship examination, previous school reports and an interview with the Principal.
- An invitation to attend an interview does not necessarily mean that a scholarship will be offered. All College standards for enrolment must be met.
- Actual results of scholarship examinations are confidential and not released by the College other than to parents of participating students.
- Scholarships are not available to Full Fee Paying Overseas Students.
- Following the interview process, offers will be made in writing by the Principal. Any offers of scholarships not accepted by the due date will not be offered to other students.
- Scholarships for Years 7-9 have tenure of three years. At the end of Year 9, the scholarship will be reviewed for Years 10-12 at the discretion of the College, generally at half the rate of the original scholarship.
- Scholarships are awarded on the proviso that the student continues to maintain satisfactory high standards of academic achievement and participates to the very best of their ability in Campus and College life and adheres to College policy.
- The scholarship does not cover other costs such as bus travel, excursions, academic competitions, camps, uniform, books, or additional tuition in Citipointe's Academy of Arts or Tutoring Academy, unless otherwise specified.
- All applicants both successful and unsuccessful will receive notification.
- The College will not enter into a dispute regarding the awarding of the scholarships.
