The social climate of the school:

Citipointe Christian College has identified a *caring environment* as one of its five core values, informed by our Biblical worldview. Child protection, behaviour management and anti-bullying policies and programs are in place.

The school is characterised by good student behaviour, positive reinforcement and recognition of good behaviour, and strong pastoral care structures.

The College implemented behaviour management policies several years ago; increasingly we look to prevention rather than reaction. The secondary school embraces the notion of developing self-managing students.

Staff structures support student pastoral care through Heads of Year (Preparatory to Year 12) and pastoral care connexions groups (7-12). Both schools have Directors of Student Care.

A Coordinator of Student Services (professional social worker) provides further support to staff and students.

Parental involvement:

Parent Connect is the name given to activities associated with the Parents and Friends Association which meets monthly under the guidance of the Development Director, and is actively engaged in social activities and fund-raising for the benefit of students.

Coffee Connect is the name given to informal meetings associated with particular year level topics. Parent Volunteers are involved in primary school class activities at the discretion of the class teacher and Head of Year. Involvement includes assisting in class with reading, development of resources and assisting with excursions.

Parent volunteers assist with sports days as volunteers (primary and secondary).
